TODAY

Happy Anniversary SOCU

2014 marks a milestone in your Credit Union's history as SOCU turns 75! We are grateful to the members, staff and volunteers who have supported SOCU's growth over the last 75 years. Each day, we are honored to have the continued opportunity to serve the financial needs of our long-time and new members, their children, grandchildren, friends, neighbors, Community Business Partners and local businesses.

In 2014, we'll once again focus on serving the individual needs of our members, just like when SOCU started as Streator Onized Federal Credit Union back in 1939.

We look forward to our 75th year being notable for great member service, as well as new services and options that will provide you with the best value yet.

It's a good time to belong to a credit union, but it's a great time to be a member of SOCU! Thank you for choosing us to be your trusted financial partner.

Happy Anniversary and the best to you in 2014!

SOCU THROUGH THE YEARS!

LETTER FROM MEMBER

"The Streator Onized Credit Union (SOCU) has been an important part of my life for years-when I lived in Streator, Ill. and since. I've moved to Phoenix, Arizona. I believe any accolades for this local financial institution are well deserved as SOCU has branched out to communities of Dwight and Pontiac, Ill. And everything began with Streator's Owens-Illinois where my father, the late Larry Padilla, was a mold maker for years before he retired. Moving to Phoenix, Arizona has made no difference for me; SOCU remains a financial institution upon which I rely. Congratulations to SOCU for keeping up with this changing world and its communities."
